

SMALL GROUPS

AT HENDERSONVILLE

2018–2019 REGISTRATION

People desire real community. However, our culture provides us with an illusion of intimacy. Increasingly, we have abundant connections but fewer confidants; countless friends in social media but fewer relationships marked by rich history and deep commitment. Small Groups are an integral part of what we do as a church and we believe that everyone needs to be a part of a Christ-centered community.

As we pursue this relationship with God in community, we nurture the ability to have connection and influence with others. We believe it is essential that each person in our community of faith join us in a deep commitment to pursue a relationship with God, each other and a genuine connection to the community around us.

Register for listed groups on this form at Hendersonville.org/groups. Individual groups close when they reach capacity.
